Erection of 22 Bedroom Hotel west of Library, Queen St, BF (Ref.12/00090/PPL)

Dear Sir,

I refer to the above planning application submitted by you to Dundee City Council.

I note that in your design statement you state that you have made representations to Dundee Civic Trust regarding the possibility of installing the original Carbet Castle ceiling in the dining room of the proposed hotel. The Executive Committee of the Trust has discussed this matter and its members have no knowledge of any such approach. I would ask you therefore to correct this statement in your submission to the Council with immediate effect.

Yours sincerely,

Jack Searle
