Last quarter statistics shared and discussed. Overall, a positive Picture. Slight increase in anti-social behaviour calls and crimes which the better weather often impacts on. Small group of 3 / 4 boys who have caused most of the concern but this has been addressed.

Positive work with school leavers kept potential "party celebration" incidents to a minimum.

Broughty Ferry Community Council hopes to be more visionary and will look to existing Ferry groups and organisations for a more collaborative relationship and mutual attendance.

Community Council elections will take place over a 4 weeks period from end September.
