

BROUGHTY FERRY COMMUNITY COUNCIL ANNOUNCES APPOINTMENT OF NEW CHAIRMAN

Broughty Ferry Community Council is delighted to announce the appointment of Neil Cooney as its new Chairman. Neil has been an active member of the Community Council since 2015.

As a Place Management Consultant his understanding of community affairs is of the highest order. His enthusiasm for raising the profile of deserving causes has been well documented through the high profile, fund raising, successful campaign 'Maggies Penguin Parade' in 2018 and his role as Project Manager of the hugely successful fund raiser 'Oor Wullie's Big Bucket Trail', which went Scotland wide in 2019.

After chairing our March meeting, he said," I'm genuinely very pleased to sit as Chair of Broughty Ferry Community Council, a group which exists to reflect the views of the community and to promote the interests of Broughty Ferry as a whole. As such, I look forward to playing a positive role in conversations with my fellow residents and thinking creatively about what we can do to collectively improve the lives of all of our citizens.

Since the outbreak of COVID-19, communities have sprung into action and Broughty Ferry is no different. Neighbours are connecting and looking out for each other, informal support groups have organised and we are all more aware of the value of social connections, neighbourliness and a sense of belonging. I feel BFCC has a key role to play in understanding our area's needs and strengths to ensure the area has a strong community infrastructure and is ultimately supportive of all citizens."
