

Broughty Ferry Flood Protection Scheme Newsletter

April 2022

Progress on site

As we now enter spring, McLaughlin & Harvey continue to make good progress on Flood Protection Scheme and remain on schedule for completion of the project April 2022.

Following the completion of Fisher street works continued up to Gray Street, resurfacing the road and pavements through to and including the north footway and carriageway of Beach Crescent. The ongoing works continue to progress on the installation of the active walkway and retaining wall. The transformation is taking place nicely, please see the before and after photos below.

A special thanks to local Broughty Ferry resident Charlie Webster for the pictures.

Fisher Street

Beach Crescent

A magnificent transformation that has attracted lots of people to use the new walkway and enjoy the view!

We are finalising the works at the east end of Beach Crescent which will complete the flood protection contract. Dundee City Council have recently awarded an extension to the contract to carry out Active Travel improvements to Castle Approach and along the Beach front to Windmill car park. The current programme of works are expected to be complete towards the end of June. Currently there is restricted access along Castle Approach however the Castle remains open with pedestrian access for visitors through Castle Green.

Community Benefit

McLaughlin & Harvey have teamed up with local partners **Alexander Community Development, and Broughty Ferry Glaziers** to refurbish the iconic red telephone box that is located on Gray Street. This phone box is classified as a listed building, therefore great care has been taken to bring the phone box back to original condition. This project has been carried out for the community to enjoy, with Alexanders carrying out the painting and Broughty Ferry Glaziers kindly donating glass panels for the restoration. Thank you all for helping to bring the phone box back to life! Be sure to look out for the finished article very soon!

Ukraine Humanitarian Appeal Success! Staff on the MCLH Broughty Ferry site distributed over 300 leaflets to the local residents in Broughty Ferry appealing for donations to support Ukraine.

How to contact us:

If you are affected by our works in any way or perhaps you want to know more about what we're doing. The site letter box is located at the main Site office on Beach Crescent or you can drop us an email at: bffps.community@mclh.co.uk

Community Liaison Officer:
Katy Bald

Tel: 07584 777 227

Email:

Katy.Bald@mclh.co.uk

More information on the scheme can be found

We had a great response from the community and site staff, a selection of lots of items such as tents, sleeping bags, tinned food and toiletries, which we then delivered all the donations to Brakes Scotland's Dundee Depot for them to send off the supplies, thank you to everyone that participated
